

Level Design

- **Parking Lot:**

- Upon arrival at the club, you are met with the challenge of confronting two adversaries.
- Your options boil down to engaging in combat with them or employing an access card provided by an NPC stationed outside the club's premises.

- Two Enemies

- NPC that gave you access card to the club

- **Inside the Club:**

Stepping inside, you find yourself in the reception area, where patrons are comfortably seated, perhaps enjoying their drinks and conversations.

Adjacent to the reception area, there lies a locked door, its purpose yet to be unveiled.(Keep This In Mind)

- **Way To The Club Area**

- **Club Scene:**

- Music is playing, and people are dancing.
- The bartender is serving drinks.

- **Bar:**

- **Conflict:**

- While talking to the bartender, guards interrupt.
- Fight the guards to continue.

- **Questioning:**

- After defeating the guards, ask the bartender for information.
- He tells you about the control room and gives you an access key.

- **Dressing Room:**

- **Control Room:**

- Find a hidden lift in the dressing room to reach the underground control room.

- **Control Area:**

- **Information:**
- Go to the control room and get the information about the boss whereabouts
- And find out that he is inside the office of his and get the key to the restricted lift key and lift located on ground floor on left side of the club

- **Ground Floor:**

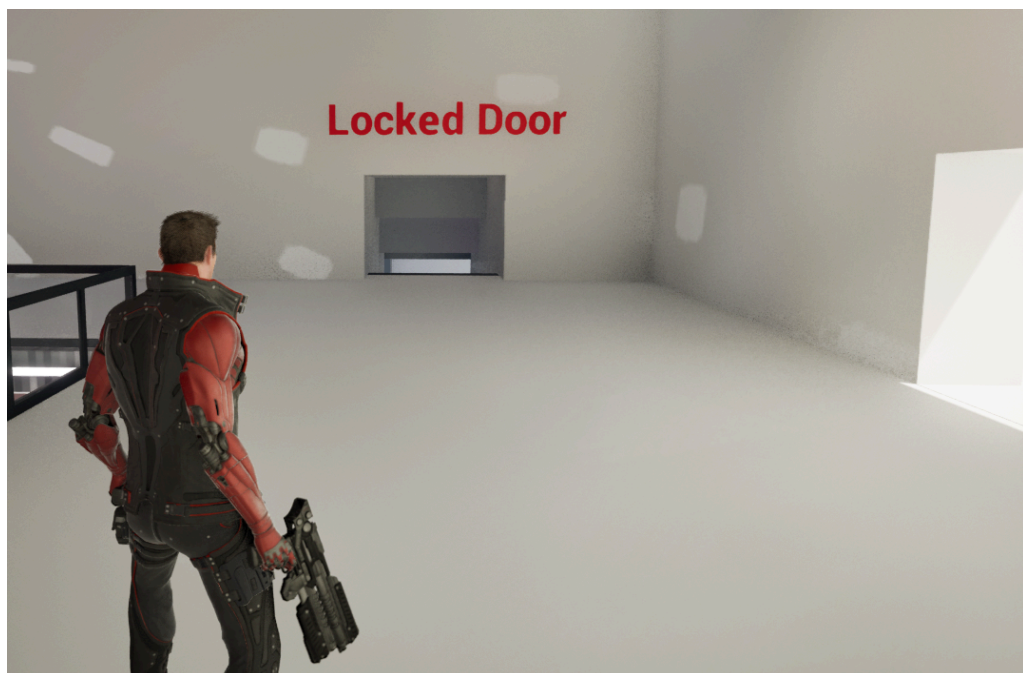

Returning to the ground level,

- Here player have two ways
- Stairs that leads to the one side of first floor and lift that leads to the second floor office

- If player decide to take stairs and roam around
- In the first floor player see the one sided lock door after opening the door

- That way will take player to the reception left side locked door mention earlier when we enter the receptionist area

- if you take lift it will take you to the second floor use the access key to use lift
- And lift will take you to the Second floor restricted area

- **The Office**

- Where you find out the boss is already gone
- And you fight receptionist after defeating receptionist she/he will tell you that boss is escape from emergency exit inside kitchen
- So you trace back to to lift on the left side there is door you go there

- And open the door it will open up to the club First floor

- First Floor Other Side

- Balcony Area

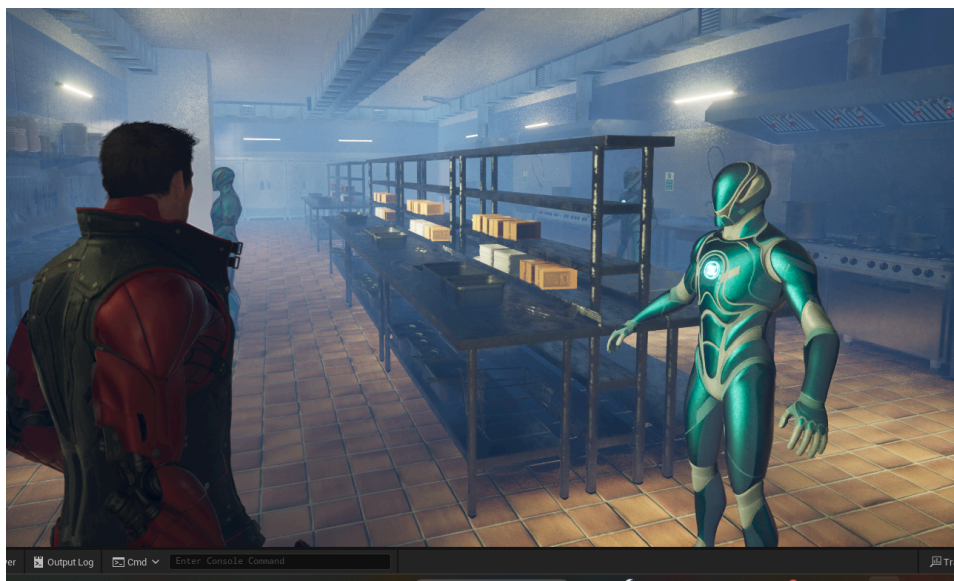

- from where you can see the whole club

- At the end of balcony you see kitchen area

- Kitchen Area

- from kitchen area you go to the emergency exit stairs and outside the club you fight the main boss
